**ISAACS MILL SCENE
OF FATAL ACCIDENT**

A. C. Winegard, an employe of the Isaacs saw mill near Kila, was instantly killed yesterday afternoon in attempting to replace a belt.

Mr. Winegard was working on one of the saws when a belt back of him jumped the pulley. He endeavored to place the belt on the moving pulley as had been the custom with him as well as the other employes at the plant. In doing this his body became engaged in the moving belt, was drawn around the pulley and thrown against the beams, crushing his skull.

His body was terribly bruised and broken and death was apparently instantaneous.

Mr. Winegard was 34 years old and is survived by his wife, a bride of only a few months, who resides at the mill, and his father and mother at Cleveland, Ohio.

The remains were brought to Kalispell by County Coroner Miller and are at the Sherman & Miller parlors. No definite funeral arrangements have been made but the remains will probably be shipped east to his old home.
