## FUNERAL SERVICE OF PIONEER MINISTER

(Continued from page 1)

taking up his studies for the ministry he was engaged in lumbering. He attended the Seabury Divinity school at Faribault, Minnesota, and upon being ordained after finishing his studies, took up church work in Minnesota under Bishop Whipple. In the early seventies he entered the western missionary field in Nevada, California and Oregon, coming to Bozeman in this state in 1875. There he established the first Episcopal church in that city, helping to construct the church building. His wife's health failing he returned to Minnesota, going by stage to Helena and Fort Benton, and from the latter place by steamer to Bismark, North Dakota, then the western terminus of the Northern Pacific. He located at Moorehead, Minnesota, where he remained until 1879, when he was called to Nebraska city, to take the presidency of the Nebraska College, a church educational institution. He remained there until 1882, when he returned to Moorehead and established the Bishop Whipple school for boys, which he conducted until 1891, when he came to Kalispell to take charge of Christ church parish here under Bishop Brewer. He was in charge of the parish until on account of advancing years he retired from the active ministry, but continued to make Kalispell his home. He had been in failing health for a number of years, and for the past two and a half years was a patient in the Kalispell hospital.

His early work in the western country was done under the most primitive conditions and was attended by many hardships and inconveniences, and in not a few cases interrupted by Indian uprisings.

Mr. Dickey had a wide acquaintance throughout the state, more especially during its earlier years, and this was maintained until advancing years compelled a more quiet life. During his active years he took a deep interest in public affairs, and was active in all matters looking to the advancement of Kalispell and the valley. With a keen zest in life, a joyous and optimistic spirit, he was a delightful companion, and the circle of his friends was limited only by extent of his acquaintances.

Mr. Dickey is survived by his four sons: Henry W., of Helena; Ellis S., Charles K., and Edward, of Kalispell.

Funeral services for Lawrence Dignan, Civil war veteran, will be held at the Soldiers' Home chapel Thursday afternoon at 3 o'clock by Rev. H. J. Frame of Columbia Falls and interment will be made in the Soldiers' Home cemetery under the direction of Waggener & Campbell. Mr. Dignan was born in New York in 1840 and enlisted for services at Elk Point in Dakota Territory in November, 1862 and was discharged at Sioux City, Iowa, on November 15, 1865, having served in Company D, First Dakota Cavalry. He is survived by four sons and two daughters.
