

Benno Michael Ober, 76

PAG 27 Apr 2020

It is with great sadness we announce the passing of Benno Michael Ober, age 76.

Benno died suddenly of cardiac arrest at his home on April 24, 2020.

He was born in Great Falls on Nov. 28, 1943 to Joseph and Theresa Ober. Ben was raised in Fairfield, Montana, and was the youngest of six children.

Ben graduated Fairfield High School in 1962 and was a lifetime Fairfield Eagle fan. He left quite a legacy in Fairfield, once letting chickens into the schoolhouse among other high school pranks. He graduated Northern Montana College in 1966 with a bachelor's degree in education. After college graduation he married the love of his life, Mayme Martin, and they were happily married for 52 years. Shortly after their wedding, he was drafted by the U.S. Army during the Vietnam War. He proudly served as a point man and didn't lose any soldiers from his unit. He continued to keep in contact with some of his unit throughout his life, always receiving phone calls from them at Christmas.

Upon returning from Vietnam, Ben and Mayme moved to Shelby where he was a beloved math teacher at Shelby Middle School for 31 years. He was known for playing many practical jokes, keeping the staff and his students on their toes. He loved teaching students and would often reminisce about all of his teaching years. All-class reunions were some of his favorite times where he could see his former students and teachers and remember the "good ole days."

Ben served his community for 14 years on the Shelby City Council and 18 years as a Toole County commissioner. When he wasn't teaching and serving the community, he spent time painting in the evenings and on weekends. After retiring, he relocated to Rollins, Montana, spending his extra time working on his property, including planting a peach tree and fixing the fence along their property line. He enjoyed talking to his morning coffee crew and loved watching the New York Yankees. In the summertime, he looked forward to taking his grandchildren, Payton and Bennett, to "Grandpa Camp" where he would spend many hours at the fair with them and they would go swimming together in Flathead Lake.

As a man of great faith, Ben was a devout Catholic who never missed Mass. He will be greatly missed by many.

He is survived by his wife, Mayme; daughter Kasi (Brian) Miller; grandchildren Payton and Bennett Miller; sister Mary (Ober) Holwagner and brother Leonard (Judy) Ober.

He was preceded in death by his parents, brothers Joseph, John and Hubert Ober and numerous nieces and nephews.

Although we would have loved to celebrate Ben's life with many family and friends, we are unable to have a traditional service due to the COVID-19 pandemic. A traditional Catholic Mass will be held with immediate family members on Tuesday, April 28.

In lieu of flowers, please make donations to St. Jude's Children's Hospital or a charity of your choice. Friends are encouraged to visit www.buffalohillfh.com to leave notes of condolences for the family.

Marion O'Connell, 79

PAG 29 Aug 2020

Marion O'Connell, 79 years young, passed away suddenly at home on Aug. 26, 2020.

She was born Sept. 5, 1940, to Glenn and Dorothy Manning in Kalispell. She was a daughter, a sister, a wife, a mother, a grandmother, a great-grandmother and one hell of a friend. She left a legacy of the heart and soul of a family.

She is survived by her husband Dennis, her sister Jo Ann Olliphant, sister-in-law Candy Richter and her children Randy (Sandy), Debi Davis (Marvin) and Shawn (Shelley), eight grandchildren and 13 great-grandchildren and two nieces whom she loved dearly. Her love for community and life was abundant in how she lived her life. Marion was involved in numerous community activities, whether she was serving on the election board, being a 4-H leader or a member of the Hodgson Homemakers. She believed in activities for the youth and community involvement.

She married her high school sweetheart where they spent the next 60 years enjoying the farm life together. Life was simple and not always easy but together they were a team through it all. Denny was once asked how a marriage of 60 years lasted? His reply was "we were an even split — 60/40 every other week"! Denny jokes that her cooking was somewhat suspect in the beginning even though she was raised in a restaurant. She conquered this just as she did with everything she set her mind to. Her pies were legendary and she willingly shared them.

Family meant every-

thing and her family always came first. Her great love of horses had Randy,

Debi and Shawn riding before they could walk. This continued each summer with a family pack trip into the mountains. These were treasured times with lifelong memories. She had a unique way with horses and this talent was shared with her comrades on the drill team. The Trailblazers, which brought her great joy. Her last ride was a few week ago with her granddaughter and great-granddaughter that she was determined to make happen. She was in the height of her glory when she was on the back of a horse.

Marion was always up for an adventure. When she had the chance to travel to Egypt and Portugal with her sister Jo, she didn't hesitate. It was the highlight of her retirement. She didn't know the meaning of the word "no" — and when things needed done, she was always there. No matter if it was raking, baling hay or driving grain truck, she was there and dinner was always on the table for the whole crew.

There will be an outdoor celebration of life Saturday, Aug. 29, at the O'Connell Family Farm. The farm is located at 2727 Lower Valley Road at noon. Please join us as we honor Marion and share the many memories. Lunch will be served.

Jerome P. Okonski, 73

Jerry Okonski passed away unexpectedly at home on May 14, 2020.

He was married to Mary Ann for 52 years and together they have three daughters — Kendra, Kristina and Janina. Jerry's life was full of adventure, entrepreneurship, change and many projects. He was beloved by many people and will be sorely missed. His deep Christian faith guided him through life and was humbly expressed through love for others.

Jerry was born in Chicago, Illinois in 1946 to Harry and Mary Okonski. As a young man, Jerry earned the Eagle Scout rank in Boy Scouts of America, and in 1964 he graduated from St. Rita High School. Inspired by a trip to Montana when he was 15, he decided to attend the University of Montana and graduated in 1968 with a Bachelor of Science in Forestry. Jerry married Mary Ann in June 1968, and later that year he enlisted in the U.S. Army. He and Mary Ann were assigned to Fort Richardson Army base in Anchorage, Alaska, where he worked on engineering projects and computers. After an honorable discharge, Jerry graduated from University of British Columbia with a Master of Science in Forest Engineering in 1975.

In 1975, Jerry and Mary Ann moved to Libby, where he worked at St. Regis Paper Company. His independent spirit and entrepreneurial nature led him to start his own skyline logging company in 1980. He and his employees developed innovative timber harvesting techniques that are highly regarded in the natural resource community. He branched out with a logging business in Canada. After being sought for his expertise in Chile's nascent forest industry, Jerry, Mary Ann and their daughters moved there in 1993. Over more than 10 years, Jerry

trained managers and workers in advanced skyline harvesting techniques, workplace safety and environmental management. He also worked on a variety of engineering projects in Chile, Argentina, Peru and Ecuador. Between 2002 and 2007, Jerry and Mary Ann founded and operated a skyline logging operation in Virginia. In 2008, they moved to the Flathead Valley and started Great Northern Land Services. Up to the day he died, Jerry loved working daily in his practice of "artisan forestry," collaborating with the forest industry and private landowners to improve their forests while reducing the risk of catastrophic wildfires. His skills in personal communication, collaboration and precision logging proved invaluable in this community. At the time of his death, Jerry was the longest-serving member of the Montana Logging Association.

Elaine Redalen Olson, 85

PA 7 18 Oct 2020

Elaine Redalen Olson passed away Oct. 12, 2020, at the age of 85 in Kalispell after living an active life dedicated to family, community service, education, and treasure hunting.

Elaine was born on Sept. 21, 1935, in Lanesboro, Minnesota, and was one of six siblings growing up in that small town. A baton-twirling majorette who was also the valedictorian of her high school class, Elaine would later attend Luther College in Decorah, Iowa. She graduated first in her class and earned a degree in education with a minor in religion. She taught the fifth grade for 11 years before starting a family in Sioux Falls, South Dakota, with her husband Steve.

Blessed with good genes, Elaine never looked her age and she knew it. Steve didn't know he was five years her junior until after he had proposed to her. Sometimes this prolific age-based fibbing came

back to bite her. The admission process to the hospital's delivery room for Elaine's first born was momentarily held up with confusion caused by having multiple medical records on file, all with different ages.

After moving from South Dakota to Kalispell in 1978, Elaine discovered her entrepreneurial knack for bargain hunting. She loved the adrenal rush that came with discovering hidden treasures from families who were downsizing, moving out of town or just de-cluttering. For 27 years, she maintained a booth at South Side Consignment and spent untold hours scouting the countryside to supply it. The associations and friendships she made in this venture and her knowledge in these matters was very dear to her.

For 30 years Elaine

was passionate about helping women advance through education and held all the leadership chairs in her P.E.O. chapter (Philanthropic Educational Organization.) Elaine also spent 15 years working the food bank at Calvary Lutheran Church.

Her hobbies included playing in three different bridge groups. She went on unforgettable espionage adventures as a prolific reader of spy novels. One day up at Big Mountain Ski Resort in Whitefish, at the age of 40, she leaned into Steve while sitting near the fire at a resort lounge and said, "What are we doing? Why are we not up on the slopes with our boys?" She convinced Steve to sign up for alpine ski lessons and would become an avid skier for the next 30 years. She also loved to fish and was very competitive in her attempt to catch the biggest, first, or most fish in a given day.

Elaine would not let aggression stand. She was

known for jumping to the defense of friends and family and was deeply loyal to the many people she cared about. Steve would often express his joy of knowing that home would always be a pleasant and warm place to return to at the end of the day. Elaine doted on her two boys and created a wonderfully comfortable environment to grow up in.

Elaine is survived by her husband Steve, and her son Bryce.

She joins her son Mark and sisters Beverly and Jacqueline in heaven. There will be a celebration of Elaine's life in the summer of 2021 when it is safe to congregate in the ruggedly beautiful mountain town of Kalispell that this special lady from the plains loved dearly.

Memorial donations may be made in Elaine's memory to the Flathead Valley Community College's Foundation for General Scholarship Fund at 777 Grandview Drive, Kalispell, Montana 59901.
