Marilyn was born on Aug. 4, 1931, in Havre to Arnold and Phyllis Hadford, children of Scandinavian immigrants. After graduating high school in Great Falls she married Orville Solberg on May 20, 1950, her husband of 43 years.

Marilyn loved animals and children and enthusiastically assumed an active role in the activities her four children pursued, either as a club leader or as a chauffeur. Her love of gardening and the outdoors encompassed a wide variety of "companions and pets" including turkeys, cows, and ducks in addition to the many family cats and dogs, each of whom she treasured. Then as the years passed, she lovingly assumed an active role in her grandchildren's upbringing and care by having them with her over the summers and for other extended periods of time. Marilyn's talents and interests were rich and varied. What she did not know, she taught herself. Her early years included raising three children (two in diapers) in a logging camp with an outdoor toilet and a camp shared washing machine to do the weekly laundry. She and Orville built their first home in Evergreen with the help of her father-in-law. Together they built a second home in Missoula and lived there until they moved to the East Shore of Flathead Lake in 1966 where she drew the architectural design for the remodel of their new family home. She also taught herself bookkeeping and managed the complex business of Solberg Trucking she and Orville started in the late 1960s, growing it to around 25 semi-trucks.

With a talent and lifelong passion for sewing, she outfitted her kids (and later grandkids) with an incredible ward-

Lucille Marie Hammer, 99

Our beloved mother lived a long and healthy life.

Lucille Marie Hammer was born at the family homestead in Hoagland, Montana, to Theodore and Martha Gingrich on March 18, 1922. She grew up in Hoagland with two sisters and one brother, who affectionately called her Sue. She graduated from high school a month after she turned 16 and received a scholarship to business school but opted to attend Cosmetology School in Chinook, Montana, instead. After finishing school she owned a beauty shop in Harlem, Montana.

On the Fourth of July in 1943 she came to Kalispell from Harlem and bought Marie's Beauty Shop, which she owned and operated until 1951.

After World War II Lucille married Howard V. Hammer Sr. at the Presbyterian Church in Kalispell. In 1951 they had a son, Howie, and in 1953 a daughter was born, Arnette.

She was a mom with a quiet strength and we always knew we were loved. She led an active life, gardening, yard work, and was an avid walker. At the age of 90 she entered the Bloomsday Race in Spokane (7.5 miles) finishing first in her age group and received a Gold Medal. After her children were gone she enjoyed oil painting and

traveled with her husband within the U.S. and abroad. She was a lifelong bridge

player and outlived three bridge clubs.

She passed away unexpectedly, but very peacefully at her home in Kalispell on June 11, 2021, at 99 years of age. Our family would like to acknowledge and extend our gratitude to Lucille's neighbors (friends) for always keeping a watchful eye out for her. Heaven gained another angel.

Codi-Anne Hamilton, 21

PAS 30 May 2021
Codi-Anne Hamilton entered the world and her parents' loving embrace on Sept. 21, 1999, in Corvallis, Oregon. In the early morning hours of Saturday, May 22, 2021, she unexpectedly passed away with her mother, and partner by her side.

Growing up as a Navy "brat," one of her favorite activities as a child was to patiently sit and watch for her dad's ship to return home. Like her father, she was always ready to embark on an adventure, especially if it meant a trip to the water. Singing at the lake was a must for Codi; blessed with the gift of song, her melodic voice would ever so delicately drift over the water. "Just one more," we would beg, and with a smile and an eye roll, she would sing another.

She had a rich imagination and a magical ability to spin words into fantastic stories. While shy to share her stories, those lucky enough to read them

were transported into unique worlds designed by the most descriptive words. Her ephemeral light blazed bright, fueled with determination, tenacity, compassion and love. She had a charming and engaging spirit, a smile that would light up a room, and legendary hugs.

Codi is survived by her parents, Richard and Roni Hamilton; beloved brothers Richie Hamilton and Andrei Hamilton; her life-long partner, Clarissa Orndorff; and many loving, extended family and friends.

Mark Gregory Hand

Mark Gregory Hand passed away on Feb. 4, 2021, at St. Patrick hospital, from a stroke that took him swiftly but entirely too soon.

Mark was born on Oct. 13, 1956, to Bob and Esther Hand in Lawrence, Kansas. As a young boy he lived with his family in Illinois, California, and Montana and graduated from Whitefish High School.

Mark was a gifted musician who was able to learn songs by listening and instruments by experimenting. He played guitar and sang in "garage" bands in California and Montana, performing at school functions and dances. He spent a sum-

mer in Glacier Park as a singing waiter at the Many Glacier Hotel.

Later he performed solo at various establishments and several weddings of friends and family.

After attending the University of Montana for a couple of years Mark decided school life wasn't for him and left to discover his own interests and aptitudes. He found his talent in carpentry, especially working with wood. After a period of time working in Anchorage, Alaska, Mark moved to

Idaho where he worked various construction jobs and had a "Handy Man" business in the Sun Valley area until he moved to Nampa, Idaho and was hired by Canyon County to work on building and renovation projects. In his spare time he built furniture, decks, and other wood creations. Mark was fond of animals and had several cats and dogs throughout his life. His border collie "Buddy" was usually with him on job sites and leisure time. Mark had a love for the outdoors and spent time hiking, cross-country skiing, and fishing. He also enjoyed golf, motorcycle-riding, sailing, and target practice with a

bow or gun.

He was preceded in death by his parents Bob and Esther Hand.

Mark is survived by his sisters, Sonja Border and Rebecca Hand-Smith both of Missoula; his nieces and their husbands, Heather and Brad Grutsch, and Kristen and Greg Patton all of Missoula; his great-nieces and nephew, Grace, Claire, and Brandon Grutsch all of Missoula.

Lester Harvey Hankinson, 78

PAL 20 June 2021
Les Hankinson passed away June 9, 2021, in Los Angeles.

Les was born May 23, 1943, in Kalispell to Fran and Mary Hankinson. Les graduated from Flathead County High School in 1961. Growing up, he and his brother, Monty, were joined by his two uncles, Don and Kenny Sutherland, and all raised under one roof. They became more like brothers than uncles. Oh my! If only those walls could talk! Les received his college degree from the University of Montana, Missoula where he studied theater and journalism. While attending U of M, Les went on a USO tour that took him to several countries providing live entertainment in the field of acting and dance for the members of the armed forces. He also was one of the actors who helped start the Bigfork Playhouse in Bigfork and enjoyed his summers acting there. Upon graduation, Les headed straight for LA to pursue an acting career. He had a daytime job with Sutro, a finance company, and enjoyed the theaters at night.

"Company" (1997),
"Merrily We Roll Along" (2000),
"Floyd Collins" (2005),

Les also spent a time working for the late Joan Rivers cooking and helping out when she entertained special guests. Les had a great sense of humor and could outwit anyone. We have many wonderful family memories with Les. A favorite for all of us are the Christmas gifts he would send. They were always opened first for the start of Christmas and followed by a phone call to Les.

Les is survived by his brother Monty (Edwina), niece Brenda Hankinson and nephew Cody (Rachel) Hankinson, grandnephews Brayden Hankinson and Trey Fifield, grandnieces Tauryn Hankinson and Reese Watson, all of Dillon, Montana, uncle Don Sutherland (Jan) of Coeur d'Alene, Idaho, and an aunt Doris Sutherland of Spokane, and numerous cousins.

Les Hanson, as he became known in the theatrical world, was the founder and artistic director of West Coast Ensemble Theatre, one of the most acclaimed and accomplished 99-seat theater companies in Los Angeles. Founded in 1981, West Coast Ensemble was the recipient of major awards in the Los Angeles theater community, including the LA Drama Critics Circle Margaret Harford Award for Continuing Contribution to Los Angeles Theatre, Hollywood Chamber of Commerce Charlie Award for Sustained Excellence in Theatre and the Jonathan Larson Foundation Award for Musical Development. Along with these accolades, West Coast Ensemble brought entertainment and thought-provoking plays and musicals to Los Angeles audiences, including the West Coast premiere of "Gemini" (1984), "The Glory of her Sex" (1987), "For Colored Girls..." (1989), "Playboy of the West Indies" (1992), "Unidentified Human Remains" (1995),

Les was preceded in death by parents Fran and Mary Hankinson, and uncle (brother) Dr. Kenneth Sutherland.

We wish to extend our sincere thanks to special friend Nancy Hinman and caregiver Nelson Yanga (Melissa and son Thirty) for their loving care and support. Nancy and Nelson will never be forgotten for their caring ways of taking care of Les while family was miles away.

Clifford J. 'Swede' Hanley, 98

PA 7 1 Aug 2021

Dad, Clifford J. "Swede" Hanley was born Nov. 11, 1922, on the Hanley homestead in present day Northern Carter County north of Ekalaka, Montana, to Clifford and Cora Ethel Hanley. He joined three older brothers, George, Jack, Jean (Bucky) and was followed up by younger brother Francis (Pat).

They rode horseback to the Lame Jones School through his eight years of education. His three older brothers joined various military branches so he stayed home on the homestead to do the ranching and farming responsibilities. Those responsibilities included shepherding out of the sheep wagon.

In December 1944 he went to the Lame Jones School Christmas party and took note of the young school teacher, Pearl Noftsker. He married that beautiful young lady in Miles City on June 2, 1945. Their first home was at the Hanley family homestead on Spring Creek. They continued to live in the Baker area where Evelyn Ann and Jean Marie were born. The adventure of the timber industry drew

Dad's attention and in January 1948 they moved and made their home east of Whitefish for a short while before buying property and settling into the Bissell Community west of Whitefish. This is where Sharon Leigh and Judy Lynn were born.

We have the fondest of memories of hard work before fun and play. Dad logged by day, farmed and hayed by night and when time was available, we went swimming in the Stillwater River, fishing wherever you might catch one, and making lifelong friends while participating in the community and neighborly activities of Grange, 4-H, playing cards and Bissell dances where Dad played the guitar and sang and we all learned to dance.

In October 1970 they sold the farm in Bissell and moved into Whitefish, making more friends in their new neighborhood but remaining close with the Bissell friends. In 1972 with all of the girls out of high school they

started their travel adventures. They spent many winters in Apache Junction, Arizona, away from the snow and also enjoyed trips to the East and West Coasts of the United States, Hawaii and Alaska. In 2001 with mom's declining health they resumed life in the family home in Whitefish and then in 2004, they sold the house in Whitefish and moved back to Baker.

Dad lost his lifelong sweetheart and dancing partner in 2014 and, later that year, he moved back to Kalispell where he lived independently until the spring of 2021 and he moved into St. Joseph's Assisted Living in Polson. He was there a short time, but enjoyed playing cards and doing puzzles with the other residents.

Dad passed away July 26, 2021, at St. Luke Community Hospital surrounded by family. At 98.5 years old, he succumbed after a short illness, but mostly just from old age.

Preceding him in death were his wife, Pearl; parents, Clifford and Cora Ethel Hanley; and brothers, George, Jack and Jean; and sons-in-law Larry Dean Kelch and

Harry Tronstad.

He is survived by daughters Evelyn Kelch, her children Wendy (Dave) Morris, Sheila (Jim) Lindsay, Renee Kelch, Jeff (Brandi) Kelch; Jean Tronstad, her children Leroy (Carey) Tronstad, Cindy (Gary) Irgens; Sharon (Raymond) Pitsch; Judy (Chuck) Hanson, her children Brady Hanson, Riley (Lacey) Hanson; and his brother Pat (Linda). He is also survived by 20 great-grandchildren and 14 great-great-grandchildren, and many nieces and nephews.

Memorial services for Clifford will be held on Sunday, Aug. 8, at 2 p.m. at the Whitefish Moose Lodge. Graveside services will be at the Bonnievale Cemetery in Baker on Thursday, Aug. 12, at 11 a.m.

Memorials may be sent to the Flathead 4-H, Fallon County 4-H, St. Joseph's Assisted Living in Polson, or St. Luke Community Hospital in Ronan.

Arrangements are under the care of The Lake Funeral Home and Crematory. Memories and condolences may be sent to the family by visiting www.lakefuneralhomeandcremation.com.

Dane Christian Hansen, 16

Dane Christian Hansen, 16, beloved son of Nels Christian Hansen Jr. of Bigfork and Stephanie Lovelett of Casper, Wyoming, returned to his heavenly home on Sept. 28, 2021.

Dane was born in Kalispell on April 30, 2005.

Dane was legendary from the moment of his birth. He was the best of both worlds of his parents. Dane was always a very active little boy with supernatural athletic abilities. He excelled in every sport that he focused on. However, football was Dane's passion. Dane had a special bond with his father and football. Nels taught him everything he knew about football from the moment Dane was 3 years old. When Dane was 3 years old, he started writing Xs and Os in a football play book. Stephanie admired Dane's football abilities and her son's relationship with his father. Dane, and his parents, dreamt of him playing in college and in the NFL. Dane's competitive nature landed him on the Bigfork High School Viking Varsity football team.

Dane had a love of the outdoors because of his parents. He enjoyed fishing, hiking to the top of mountains, biking down mountains, swimming, jumping off cliffs, paddle boarding, hunting and traveling to different states, Texas and Hawaii being the most memorable because he spent time with his grandparents, uncles, aunts and cousins.

Dane, you were magical. Everyone you came in contact with will never forget you. Your parents, siblings, family and friends enjoyed your intellectual conversations, witty humor, and radiant smile; always the push-it-to-the-limits child, telling your mom that you will be OK and encouraging your father to tell your mother

to relax. There will never be another Dane like you. The earth stopped rotating for

a moment when your soul left this world. God knew we would only get to have you for 16 beautiful years and it's our job to give you back. We know our heavenly King has you and now it's your time to rest in paradise with all the angels and saints; gone too soon in our earthly minds.

Dane is survived by his father, Nels C. Hansen Jr. and his fiancée Alexandria Neddoo of Bigfork; and his mother, Stephanie Lovelett, of Casper, Wyoming; his sister Abigail and his brother Clay Hansen of Casper; and his grandparents, Biff and Ceci Hansen of Bigfork, and Mike and Liz Lovelett of Casper. Dane is survived by many aunts, uncles, cousins and godparents. Dane is survived by his classmates, best friends and football team that have honored him so beautifully on the field and in school.

A celebration of Dane's life will be held on Saturday, Oct. 9, at St. John Paul II Catholic Church in Bigfork. Visitation and rosary will be at 10 a.m., followed by the Funeral Mass at 11 a.m. Burial will follow at Bigfork Community Cemetery and then luncheon will be provided at the Bigfork High School afterward.

In honor of the memory of Dane, family wishes are for donations to be made to a memorial scholarship to Legendary Lodge in Seeley Lake, or Bigfork High School to fund a scholarship in Dane's name.

Arrangements are under the care of Johnson-Gloschat Funeral Home.

Janet G. Hanson, 66

On Sept. 23, 2021, a welfare check was conducted at Jan's apartment in Libby, where she was found unconscious, and was later determined to be in a diabetic coma. From the Libby ER, Jan was transported to the Boise ICU in the early morning hours of the 24. She was removed from life support, with her children bedside, on Saturday, Sept. 25, 2021.

Jan was born May 18, 1955, and grew up near Ashley Lake. She was born to Richard and Josephine (Sundt) Hanson and was the youngest of eight siblings. She graduated from Kalispell's Flathead High School in 1973.

She was preceded in death by her parents

Richard and Josephine Hanson, brothers Calvin, Allen, Richard and

Lawrence, sisters Joyce Heindel and Joann Calbick, and friend Barb Sears of Libby.

Many times she shared stories about her family and friends — especially the holidays at her brother Allen's house, her love of Ashley Lake and Bitterroot Lake, how much she loved being a stay-at-home mom while her kids were little, and the many people she met when living in Libby, Idaho and Minnesota

while living closer to her grandkids. She often reminisced about the fun she had during her 15-plus years of managing the Columbia Falls Dairy Queen for Bill Barber in the '80s and '90s. She loved being in customer service and most recently enjoyed her job at the Libby Rosauers where her smile was loved by so many whom she interacted with.

A private ceremony for family will be held at Ashley Lake next summer.

Kathryn 'Kathy' Fagerland Hansen, 73

PA 16 Feb 2021
Kathy will be missed by the many people whose lives she touched. She is remembered for her kindness towards everyone. She passed away at home on Feb. 11, 2021.

Kathy was born to Lloyd and Alicia Fagerland June 11, 1947, and later her sister Karen joined the family. The family lived in Whitefish on the KM Ranch and then later returned to the family farm in Bigfork where she attended Echo School.

Kathy met her husband, Marvin Hansen, when she was 13. They graduated from Bigfork High School in 1965. Kathy attended Columbus Hospital School of X-Ray Technology in Great Falls, graduating in 1967. That September she and Marvin married and headed to Sitka, Alaska, for a year of adventure until returning to Kalispell to start their family. Kathy and Marvin made their home in the Lake Blaine community where she made many friends over the years.

ter Karen (Ray) Poston. She was involved with her grandchildren's lives every week and

was very proud of all of them: Elaina Hansen Grinstead, Keaden and Kane Morisaki, and Garrett and Norah Adoretti. Her first great-grandchild, Casey Grinstead, was an added joy in 2020.

Her grandchildren's fondest memories are playing chess, cooking, sewing, reading and talking about books, travel and music with their beloved grandmother. She never missed their concerts, hockey, baseball or lacrosse games. She and Marvin traveled to Salome, Arizona, to enjoy spring in the desert and riding side-by-side, both there and around Montana. They traveled all over Montana, Alaska, Japan, New Zealand, Nova Scotia, and took a 50th anniversary cruise on the Danube River. Kathy had many friends in her beloved book club and mah-jong group. Kathy was a lifelong lover of the ImagineIF Library and was a Friend of the Library for years.

After many years as an X-ray tech, and working in medical offices in Kalispell, she made the brave decision with Marv's encouragement to return to college

to become a social worker. She started at Flathead Valley Community College, then the University of Montana, and finally got her Master of Social Work degree from Walla Walla University in 2000 at the age of 53. We were so proud of her. She was a role model for her children and grandchildren. She worked in Adult Protective Services and then joined the Rehabilitation Unit at Kalispell Regional Hospital. There she aided people with traumatic brain injuries and helped people navigate some of the most challenging times of their lives. After retirement, she became a full-time grandma and traveled with her husband, friends and relatives.

She is survived by her husband, Marvin, and their three children Kim (Yuji) Morisaki, Kyle (Nichole) Hansen and Kalie (Nate) Adoretti, and her sis-

Kathy was incredibly gracious to all. She was the first to organize a family barbecue, offer a welcoming smile, and a warm and comforting laugh. Her grandkids could ask her any question and she would respond with a sincere, kind and loving remark. She offered the most thoughtful advice filled with wisdom, insight and humor. But she never gave advice to her adult children unless they asked.

A celebration of life will be held Thursday at 3 p.m. at Snowline Acres and 3315 Hwy. 93 South, Kalispell. Following the service there will be a potluck for all.

In lieu of flowers, donations can be made to Wings Cancer Support Group at P.O. Box 7852, Kalispell, MT 59904. A scholarship at Flathead Valley Community College will be established to honor Kathy's life. Donations can be made by making a gift online at www.fvcc.edu/ give or calling 406-756-3963.

Alden Thomas Harris Jr. passed away May 17, 2021, after a long battle with cancer.

Thom was born to Alden and Virginia Harris on July 13, 1938. He spelled his name with an "h", in deference to his maternal grandparents, who were of Swedish and Norwegian descent. He was raised in Highland Park, Illinois, located on the cliffs overlooking Lake Michigan. As a kid, he spent every waking hour playing and exploring the wonderful beaches. He was a Life Scout and Sea Scout.

Thom won many awards for competitive swimming in high school and was recruited by the coach at Southern Illinois University, where he won more accolades. He graduated with a Bachelor of Fine Arts degree with emphasis on painting. Thom was also a talented guitar, banjo and harmonica player. He was a folk singer all his life, start-

ing with Stephen Foster and Southern gospel songs taught to him by his beloved grandfather, Leon.

music career in Chicago shortly after graduating college in 1962; he then joined the United States Air Force after the Cuban Missile Crisis. While in Officer Training School at Lackland Air Force Base, Texas, he married his college sweetheart and then was commissioned in January 1963 to Misawa Air Base in Japan. On Oct. 12 their son, Toby, was born at the base hospital.

Also in October 1963, after a few months as an assistant base administrative officer, he was

While attending to his duties as a commanding officer, Thom formed a four-piece folk music group that played for events on and off base. He and his group, "The Travelers," took their leave time to tour Japan, South Korea and Okinawa. He also coached the base youth swim team, "The Misawa Dolphins," and led them to 5th Air Force Champs in one year and All-Pacific AF Champs in two years.

After his honorable discharge, he returned to the Chicago area to restart his musical career at the Earl of Old Town. In 1968 he launched into a solo tour of the USA with a backpack and guitar for the next 22 years.
